Bible Bingo

How to play

1. Print the cards (pages 2 to 5, two cards per page) and the caller sheet (the last page). Cut the cards apart if you like.

2. Give each player a card, and something to mark squares with: coins, buttons, small pieces of paper or a crayon.

3. The caller cuts out the 36 clues on the caller sheet (or just reads them in random order) and reads one clue aloud.

4. Players find the answer on their card and mark the square. For example, the clue 'Built the ark' means NOAH.

5. The center square is FREE. The first player to mark five squares in a row (across, down or diagonal) calls 'Bingo!'

6. Check the winner's squares against the clues that were read. Then play again for a full card!

Tip: after each clue, ask 'What happened in that story?' or read the Bible reference together. For a quick round, play for four corners.

Players: 2 or more | Ages: 5 and up | Time: 10 to 20 minutes
